Be in the Know...

Happy Holidays from our JES & CCSA family! This month may be short but is filled with jolly, joy, and holiday spirit! If you are looking for some family fun, please join some of our students at Rocca Park at 5:00 on Friday, December 6th, for our community Christmas tree lighting. Students will be singing, playing instruments and you can enjoy some refreshments as well as get a picture with Jolly Ol' St. Nick himself! Hot cocoa and cookies will be available for those that attend. We hope to see you there!

We are celebrating the start of the holiday season here at Jamestown! We are excited to announce that our Winter concerts are back in action lead by our talented music teacher, Mrs. Turner. TK-4th grade will performing Thursday, December 18th at 6:00 PM to 6:30 PM with 5th-8th grade to follow the night after on December 19th from 6:00 PM to 6:30 PM. We ask that your child may be there by 5:45 PM, so our concerts may start on time. Students may wear any kinds of school appropriate winter and holiday attire. When you look your best, you feel your best, you perform your best! Mrs. Turner is happy to answer any questions you may have. You can reach her at 209-984-4058 x3108. What a fun way to get into the holiday spirit!

December

Mindfulness

The character trait for December is empathy.

Empathy is the ability to sense and share the feelings of another person, to have concern for their welfare and trying to understand their perspective. We can imagine ourselves in the other person's place or "in their shoes" and look for commonalities rather than differences to develop empathy.

Fifth Grade Fun!

Dinner with a Scientist

Character Trait of the Month: Empathy

This month's focus is Empathy. One way to think about Empathy is "understanding and connecting with other people's feelings."

Empathy is a practice that can help us grow strong relationships. Empathy is 1 of the traits we will focus on throughout the year that helps students Be Kind. Throughout the school, students will be developing skills like perspective-taking, conflict resolution, and leadership.

Walking Wednesdays

Join Mrs. Nicholson and Blue Zones for Walking Wednesday.

Meet on the track
December 18th at 7:45.

Scan Here to Add a Medallion to Your School Website

ParentGuidance.org is made available to your district through a generous on-going grant from the Cook Center for Human Connection.

By Adding the Medallion to Your School Website:

- At no-cost your parents access courses taught by licensed therapists
- You signal to your families that you are committed to their mental well-being
- You give parents of your students the tools to have meaningful conversations at home with their families

The Cook Center for Human Connection Mission:

Our mission is to bring together the best organizations, programs and products to prevent suicide, provide mental health support, and enhance human connections essential for people to thrive.

Mental Health Resources for Parents

Too often, parents can't find accurate information for the specific questions they have about parenting and mental health. ParentGuidance.org is a mental health resource giving parents the tools to have important conversations at home.

ParentGuidance.org is made available to your district through a generous on-going grant from the Cook Center for Human Connection. Parents receive at no-cost:

- On-demand video courses taught by licensed therapists
- Ask a Therapist – answers from trained professionals to parent-submitted questions
- Additional mental health content across a wide range of topics

Families are

10X

more likely to access mental health services through their school

80%

of families rely on schools for their children's mental health support

1 in 7

US kids and teens experience mental health disorders

50%

of parents worry that their child is struggling but don't know what to do

1:1 Coaching for Parents

- Private, one-on-one coaching sessions with a trained professional
- Weekly, 30-minute calls to help parents address the specific challenges their child is facing
- 24/7 access via in-app messaging

Mental Health Series for Families

- Variety of professionally-developed content facilitated for families offered numerous times throughout the month
- Unlimited attendance to facilitated sessions and 24/7 access to on-demand guided materials
- Access for families how, when, and where they want with the information they need

Professional Development for Staff

- Focus on the mental wellness of students and staff
- Full-day onsite interactive workshops focusing on mental health
- Virtual workshops, QPR training, and certification for suicide prevention
